

LIU HONGSHUO

DH50

JAE stream
a Computing Student

Wish to **enhance** the efficiency of our **school service**
and achieve a better **adaption**
for **JAE** students

design a **mobile app**
for Dunmanians!
solve existing **inconveniences**
like long queues in canteen
and messy collection of notes

A foodie/A dancer/A listener
Curious / Creative / Caring

Aspire the **SC** to be
a more diverse
but still well-connected one

Be fearless
